Appointment Cancellation Policy

In our efforts to treat our patients we ask that the following guidelines be honored.

It is important that you keep all scheduled appointments. If you are unable to keep your appointment please call 24 hours in advance.

If more than 2 appointments are missed for one patient or more than 3 appointments per family, the patient and/or family may be dismissed as patients under our care. In the event this occurs we will be happy to forward all available records to the new provider once the appropriate releases have been authorized.

As a courtesy to you we telephone in advance of your appointment to remind you of the appointment. To contact you we must be informed of any changes to your telephone numbers.

Thank you in advance for your cooperation in regard to our policies.
